

I am appalled and concerned by the Sinclair Group's intention to air an anti-Kerry program with specific ORDERS for this piece to PRE-EMPT regular programming so close to a Presidential election. This is clearly being done for political purposes ONLY! I am also appalled and concerned that the FCC has allowed the Sinclair Group to own this number of stations. It clearly gives them the power to put forward ANY AGENDA in which they have a PERSONAL or POLITICAL interest! I have always been under the assumption that I live in a DEMOCRACY. Allowing this power to rest in the hands of a single organisation clearly tips the scale, and is definitely UN-DEMOCRATIC. I place full responsibility with the FCC for allowing this to happen in the first place, and I fully expect the FCC to remedy the situation, and prevent the Sinclair Group from airing this anti-Kerry program!
